## THIS IS NOT AN AUTOMOBILE LIABILITY OR PHYSICAL DAMAGE INSURANCE CONTRACT.

This is not an insurance policy, and does not comply with any financial responsibility law. This is a Member Benefit Brochure for the Roadside Assistance Program, a motor club program offered by Affinity Road & Travel Club, LLC and Americas Road & Travel Club, Inc., which home office for each is located at 64 Inverness Drive East, Englewood, Colorado 80112. The telephone number for the home office for both is 1-866-778-5054. Unless otherwise specifically stated in this brochure, all roadside services and other motor club services provided under this program are provided by either Affinity Road & Travel Club, LLC or Americas Road & Travel Club, Inc. in the states noted herein. Except as provided for by law to the contrary in the state where you reside, this Member Benefit Brochure is for informational purposes only and is not intended to be any type of contract. For those members residing in Maryland, this Member Benefit Brochure is considered to be a service contract.

For only those members residing in the State of Wisconsin, however, this brochure is considered to be a policy used to prescribe in writing the terms of a contract of insurance.

# PROTECTION FOR ALL VEHICLES

No matter which vehicle you drive – you can count on this Roadside Assistance Program to tow you to safety.

Subject to the conditions set forth in this brochure, only the following owned, leased, rented or borrowed vehicles are included and shall be eligible for the emergency roadside service benefit so long as they are properly licensed and they are used exclusively for personal or recreational purposes (i.e., non-business purposes):

- **Automobiles**
- **Vans**
- **Unloaded/Empty Pick-ups**
- **SUVs**
- **Motorcycles**
- **Sport Trailers\* - including boat, ATV/Motorcycle, PWC, Snowmobile Trailers**

A member or associate member must be in possession of the vehicle when the disablement occurs in order to receive any benefits for the disablement event. Membership vehicles include any eligible non-RV vehicles owned by any person who is part of your membership as provided for in this brochure.

\* The term "Sport Trailer" means a trailer which is being used at the time of the claimed disablement for the purpose of transporting either a boat, ATV/motorcycle, PWC or snowmobile. The term "motorcycle" means a motorcycle registered and licensed by a state department of motor vehicles.

## ROADSIDE ASSISTANCE

Your Roadside Assistance membership (hereinafter collectively the "membership") provides all of the services described in this Member Benefit Brochure for the total cost of your annual enrollment. Other than what is specifically provided for in the brochure, there are no additional charges. Your benefits become active 24 hours after approval of your payment.

Membership is continuous if you elect to be automatically renewed with your credit card. If not, you will be invoiced and your membership may be renewed for an additional year upon approval of your membership renewal payment. All renewals will be based upon the current rate in effect at the time of renewal.

The purpose of this program is to provide roadside assistance, in the event of a disablement of any eligible vehicle in the possession of either you or any allowable family member under this program, which is required to enable that vehicle to either proceed safely under its own power, or to be towed to the nearest professional service center for repair. This benefit is not intended to be used in lieu of routine maintenance or needed repairs on your vehicle.

## MEMBERSHIP CARD

Please keep your membership card on hand at all times. Your card bears the TOLL-FREE numbers to call when you need roadside assistance. The membership and membership card are issued in the name of the member. A new card is issued annually with each renewal notice of your membership unless not renewed by either the Motor Club or the member.

## SPOUSE AND CHILDREN PROTECTION

The benefits described in this brochure are nontransferable and will be provided only to the member or associate member. For purposes of this brochure, an "associate member" is the member's family consisting only of the member's spouse or domestic partner (i.e., one of two adults residing in the same household) and any dependent children no more than 25 years old living in the same household or attending college.

## ANIMAL TRANSPORTATION ASSISTANCE

This program will assist the Member and Associate in the arranging for transportation of dogs or cats, when possible, should the vehicle require a tow. All expenses related to the transportation of animals are the responsibility of the Member or Associate and will be at their expense.

# 24-HOUR ROADSIDE ASSISTANCE

You can call toll-free, 24 hours a day, 365 days a year. We network with more than 30,000 independent specialized service providers who have the specific heavy-duty gear and the knowledge to take care of any roadside emergency. One quick call takes care of everything – from towing to changing a flat tire to emergency fuel delivery and so much more, as provided for in this brochure.

## TOWING SERVICE

Our 24-hour, 365 days-a-year dispatch center is available with one toll-free call. There are no pre-set mileage or dollar limits in the U.S. and Canada. When you call for service, the program pays 100% of the towing fees for the delivery of your vehicle to the nearest independent professional service center capable and willing to repair your vehicle. However, you must request disablement assistance through our telephone dispatch center within 24 hours of the disablement. If you make any request for your vehicle to be taken to a location other than the nearest professional service center including your home, the mileage fee (for the extra distance only) will be at your expense.

If you request to be towed to a location other than the nearest professional service center as described above, you will not be entitled to any additional towing services for the same disablement. A request for a tow to your home would also require additional payment if that distance exceeds the distance to the nearest professional service center.

Members will be entitled to receive any of the roadside assistance services provided in this Member Benefit Brochure up to a maximum of five (5) times<sup>1</sup> per membership year. If the member requests roadside assistance services more than five (5) times in a membership year, the member will continue to receive assistance during that membership year, but any costs associated with those additional services will be at the member's expense, payable at the scene of disablement at prevailing commercial rates.

The mileage fees for any excess mileage and the fees for additional towing services will be determined and billed directly by the independent service provider at the time of the disablement, and all payment of that additional mileage fee or additional towing service will be paid by the member directly to the service provider.

Note that service providers and facilities referred to members by either Affinity Road & Travel Club, LLC (ART) or Americas Road & Travel Club, Inc. (AmRT) are independent businesses neither owned, controlled nor operated by ART or AmRT. The responsibility for damage, loss, or unsatisfactory workmanship lies solely with the service providers and facilities providing the service, rather than with ART or AmRT. In some instances, members may find it beneficial to utilize towing services provided by their vehicle warranty, rather than the motor club services provided in this program.

Subject to the provisions of this brochure, towing services and other roadside services are also provided for membership-owned vehicles which become disabled as a result of a collision.

**Note: Fees for services that you hire on your own are not reimbursable.**

<sup>1</sup> Special Notice for Utah Residents Only: Members who reside in the State of Utah are entitled to receive any of the roadside assistance services provided in this Member Benefit Brochure up to a maximum of four (4) times per membership year. If the member requests roadside assistance services more than four (4) times in a membership year, he will continue to receive assistance during that membership year, but any costs associated with those additional services will be at the member's expense, payable at the scene of disablement at prevailing commercial rates.

## FLAT TIRE SERVICE

A service technician will replace a flat tire with your inflated spare or we'll tow your vehicle to the nearest professional service center. Note: This benefit does not include seasonal tire changes. Member is responsible

for all parts and labor.

## BATTERY SERVICE

If your vehicle's battery is dead, our service technician will attempt to jump-start your vehicle. When appropriate and at the member's discretion, if a replacement battery is required we will attempt to locate and install a new

battery. The member is responsible for the retail cost of the battery and all parts and labor charges necessary to install the new battery. If the vehicle cannot be started, towing will be provided (see p.7 "Towing Service").

## EMERGENCY FUEL AND FLUID SERVICE

If the member's vehicle runs out of fuel, a limited supply of fuel will be delivered to enable the member to reach the nearest fueling station (up to 5 gallons). Other essential fluids needed to enable continued safe operation will also be made available, including anti-freeze, transmission fluid, differential and transfer case lubricant.

**Note: Delivery does not include cost of fuel and fluids delivered.**

## LOST KEY/LOCK OUT SERVICE

We will pay for a locksmith to come to your location and gain entrance into your vehicle. Member is responsible for payment for all additional labor, as well as all parts, including the cost of replacement keys.

## COMPUTERIZED LOST KEY RETRIEVAL SERVICE

Use a specially coded key card with your regular keys – if they are lost and returned to us we'll mail them back to you free of charge. Your free set of coded key cards will be sent to you shortly. For additional key cards, call toll-free 1-866-778-5054.

# PROTECTION IN THE U.S., CANADA, PUERTO RICO, U.S. VIRGIN ISLANDS AND MEXICO

The Services outlined in this brochure will be provided for disablements occurring anywhere in the U.S. (including Alaska and Hawaii), Canada, Puerto Rico, U.S. Virgin Islands and Mexico. In Mexico, the dispatch phone number for service is toll-free 001-866-456-0969.

In **Puerto Rico, U.S. Virgin Islands and Mexico**, this program provides towing and roadside dispatch for disablement services (as described within this brochure) rendered up to a maximum of \$250 for any one-year term of membership.

## \$5,000 THEFT REWARD PROGRAM

Subject to the provisions of this brochure, this benefit could increase the chance of the return of your vehicle in the event it is stolen by providing an incentive for witnesses to come forth. Contact Customer Service at 1-866-778-5054.

Program includes a \$5,000 Reward Program to fight theft of vehicles. If you witness a crime, we'll reward you for information that leads to the arrest and conviction of anyone who steals a vehicle belonging to a Program member in good standing.

# TRIP INTERRUPTION ASSISTANCE RESTRICTIONS

You may be eligible for Trip Interruption Assistance benefits if the vehicle you are driving is in a collision with another vehicle.

**DISTANCE:** The collision must have occurred more than 100 miles (based upon actual mileage of the most direct route) from your registered permanent address.

This benefit does not apply if your vehicle is disabled due to a mechanical failure. Benefits begin after the initial 24-hour period (from the time of the collision) has elapsed.

There is no benefit if, as a result of the collision, your insurance carrier deems your vehicle a total loss.

The original repair order indicating your vehicle VIN number, license number, nature of the disablement, and corrective action taken to repair vehicle must be submitted with a letter of explanation and original receipts for all related expenses within 21 days of the actual disablement caused by the collision.<sup>1</sup> You must provide an original police report (accident report), and photographs of the damage to your vehicle, when you submit your reimbursement request.
