RV Parking

Locations with parking spaces for RVs. Even if a location doesn't have designated RV parking, RV customers are welcome to stay overnight and park in any available space.

RV Lanes

Bulk Propane

Locations where customers may fill portable LP-gas cylinders and LP-gas tanks attached to RVs.

DEF at Pump

Diesel Exhaust Fluid, or DEF, is required in model year 2010-plus diesel engines. If you aren't sure whether or not your vehicle requires it, consult your owner's manual. All Pilot Flying J locations carry DEF in the store. Locations that offer DEF in bulk at the truck diesel pumps are checkmarked.

 ** The advertised diesel price in Oregon reflects the tax-exempt price for commercial vehicles only. Private vehicles are required by state law to pay state taxes at the time of purchase. The pump price will increase to include the required state tax. However, customers will still receive the applicable discount off that price.
