If You are Traveling Away From Home and You sustain an Injury or suffer a sudden and unexpected illness and adequate medical treatment is unavailable in Your current facility, We will arrange and pay for a medically supervised evacuation to a hospital that We determine to be capable of providing appropriate medical treatment. Your medical condition and situation must be such that, in the professional opinion of the health care provider and Good Sam TravelAssist Physicians, You require immediate emergency medical treatment, without which there would be significant risk of death or serious impairment. If You need to be evacuated by air ambulance, WE will attempt to arrange for a Traveling Companion to accompany You on the air ambulance.

### **Evacuation From Home Hospital**

If You are At Home and You sustain an Injury or suffer a sudden and unexpected illness and adequate medical treatment is unavailable in Your current facility, Good Sam TravelAssist Premier will arrange and pay for a medically supervised evacuation from the medical facility You are at to a hospital that Good Sam TravelAssist Premier determines to be capable of providing appropriate medical treatment. Your medical condition and situation must be such that, in the professional opinion of the health care provider and Good Sam TravelAssist Premier Physicians, You require immediate emergency medical treatment, without which there would be significant risk of death or serious impairment.

## Transportation to Home Area After Stabilization

If You are Traveling Away From Home and You are treated at a medical facility for an Injury or a sudden and unexpected illness that requires immediate emergency medical treatment and Hospitalization, without which there would be significant risk of death or serious impairment, Good Sam TravelAssist will transfer You to Your Permanent Primary Residence or to a medical facility near Your Permanent Primary Residence for continuing care provided the attending physician and Good Sam TravelAssist's Physicians have determined that Your condition has reached maximum medical improvement; and

1. You have been evacuated under the Emergency Medical Evacuation benefits as defined above; or
2. The treating physician and Good Sam TravelAssist's Physicians have determined You are unable to operate Your RV/vehicle and no one in Your traveling party is capable of operating the RV/vehicle; or
3. The treating physician and Good Sam TravelAssist's Physicians have determined Your physical medical condition prevents traveling as a passenger in the RV/vehicle; or
4. You are not traveling in a vehicle and the treating physician and Good Sam TravelAssist's Physicians have determined Your physical medical condition prevents You from continuing on Your trip and You must return to Your Permanent Primary Residence or to a medical facility near Your Permanent Primary Residence to recover from Your condition.

Services that Good Sam TravelAssist will provide You with include the following options:

1. Arrange and pay for a one-way economy airfare ticket and medically necessary ground ambulance transportation to/from the airport to return You to Your Permanent Primary Residence or to a medical facility near Your Permanent Primary Residence.

If it is deemed medically necessary by Good Sam TravelAssist that You travel in an upgraded commercial seat, Good Sam TravelAssist will cover the cost of the upgraded commercial ticket.

In addition, if Good Sam TravelAssist determines that You require a non-medical escort to assist you, we will also arrange and pay for YOUR non-medical escort's upgraded commercial ticket.

If it is deemed medically necessary by Good Sam TravelAssist that You travel with a nurse escort, We will coordinate and pay for the nurse escort fees, nurse's travel tickets and expenses.

If You are not medically stable enough to travel by any of the methods outlined above and require a higher level of medical transportation, Good Sam TravelAssist will pay up to the value of a nurse escort in upgraded seating.

2. If You have been Medically Evacuated, Good Sam TravelAssist will arrange and pay for a one-way economy airfare ticket to return You to the original place of transport where Your Emergency Medical Evacuation began; or

If You are unable to operate Your RV/vehicle and no one in Your traveling party is capable of operating Your RV/vehicle and You have chosen to have a family member or friend return Your RV/vehicle, You may choose to return to Your Permanent Primary Residence in Your RV/vehicle. You will be covered under the RV/Vehicle Return Benefit. Please see RV/Vehicle Return Benefit for a complete detail of what is covered.

## **Return of Deceased Remains**

We will coordinate and pay for the expenses of the preparation and transportation of Your deceased remains to Your Permanent Primary Residence. We will also pay for a one-way economy airfare for one person who was traveling with You, to Your Permanent Primary Residence provided we have approved and coordinated the return of Your remains.

Limit 2 events per year for unrelated incidents.

**Note:** You must submit the invoice to Your primary insurance first. If there is a balance due, the explanation of benefits letter and invoice must be sent to TravelAssist within 180 days from the Incident Date.

We will return Your automobile, motorcycle, non-commercial truck or RV to Your Permanent Primary Residence or place of rental if:

1. We approved transporting You to Your Permanent Primary Residence under either the Emergency Medical Evacuation, Transportation After Stabilization, Return of Deceased Remains, Transportation to Join Hospitalized Family Member, or Transportation Due to a Natural Disaster benefit; or
2. You have not been transported under the services listed above but Your documented medical emergency prevents You from driving the RV/vehicle.

Good Sam TravelAssist will authorize this service only if no one in Your traveling party is capable of driving the RV/vehicle. The vehicle must be in good condition and capable of being safely driven on the highway in compliance with local laws. If the vehicle is an RV, We will also return an additional vehicle if it was hitched to Your RV. You must pay any costs required to maintain the safe operation of the vehicle during the return. The return must be approved and coordinated by Good Sam TravelAssist and must be performed by one of Our contracted service providers. Alternatively, You may choose to have Your vehicle returned by a friend or family member.

In such instance, and provided the vehicle is returned directly and expediently to Your Permanent Primary Residence, We will provide reasonable transportation in the form of a one-way economy ticket for that person to either the location of the vehicle or to return home after the RV/vehicle has been returned, and We will reimburse You for gas and tolls during the return. In addition, We will provide up to a \$100 per day benefit for incidental expenses (receipts must be submitted) while driving.

**Please note: In the event You qualify for RV/Vehicle Return by virtue of Number 2 on Page 9 please see the following:**
